### President's Message Nancy Zeliff

Our world, nation, and discipline have changed dramatically in the year since we met as an affiliate at the last ACTE convention. As you plan for our annual meeting with ACTE and the Business Education Division, please travel safely and come prepared to share and learn.

The NATEBE-sponsored research sessions are again planned, as well as a new format—Poster Presentations. The poster sessions will be held in the Trade Show area, allowing individuals from other disciplines to attend. Please plan to attend the NATEBE Research sessions on Thursday, December 13, in the morning and the Poster Sessions on Friday, December 14, 3:15-5 pm. Support our presenters and affiliate.

Members who are NATEBE representatives to the Business Education Division committees should plan to attend the Division Strategic Planning Session on Thursday, December 13, at 7:30-9:30 am. If you are a member of the Executive Board of NATEBE, you will receive a personal invitation to attend the NATEBE Executive Board Breakfast, sponsored by Glencoe. This breakfast is by invitation only and scheduled for Friday, December 14, at 7 am.

As the convention approaches, we only become busier with school demands and deadlines. May you find time to enjoy life with your significant others and stand united with our nation and world leaders as we all work toward a better world—one even better than the one we knew prior to September 11, 2001.

### Call for Papers
